If you want to go higher, go deeper

Turningpoint is an international coaching and transformation consultancy, committed to developing visionary leaders, audacious, responsible and connected to their purpose.

You aspire to...

- ✓ Dig deep into your personal and professional aspirations
- ✓ Access a role aligned with your talents and personal calling
- ✓ Get efficient support for maximum output

Reach your turningpoint

Our conviction

Only people who are aware of their purpose can develop their own unique leadership style at the service of the common good.

This is why our offer is specially designed to help each person to :
Reconnect with who they are on a deeper level and find the role that corresponds their purpose.

"This support allowed me to take a deep breath before taking on a new role full of confidence and energy. »

"I listened to my environment to identify where I should go and understand what job I should be doing. »

»The coaching helped me to see more clearly during a difficult time, in order to make good decisions and decompress. »

We have coached *thousands* of people *across the globe*

Turningpoint offers you *a founding experience* in a period of *transition*.
